**2. FH Campus Wien as a publisher ([Flowchart](#))**

**a. Publication Database of FH Campus Wien**

Free publication of a digital full text via the publication database including assignment of URN (DOI upon request). This allows indexing in various search engines and databases such as BASE, GoogleScholar, Austrian Library Network catalogue and many more.

Example URN: <https://resolver.obvsg.at/urn:nbn:at:at-fhcw:3-109>

Example DOI: <https://doi.org/10.34895/fhcw.0001>

**b. ISBN assignment for printed works**

An ISBN number is assigned to self-published printed works. The printed work is then not only entered in the list of available books, the library also organizes the obligatory delivery of copies to the German/Eastern National Library.
